

Braden Q. Bruington Basalt High School Scholarship

This scholarship was established in memory of Braden Bruington, a graduate of Basalt High School in 2002, who passed away at the age of 33. With the aid of a scholarship, Braden went on to earn a B.A. from Syracuse University, Newhouse School of Public Communication, later putting himself through the University of Wisconsin MBA program, all towards a career in technology, business, and marketing consulting. Braden was generous in many ways with his time and monies: Braden was always there to help others with all he had learned. Braden was a beloved son of George and Valerie Bruington, loving husband to Bree Bruington and father of Arden Bruington. Always concerned about the world we live in; we wish to honor Braden's entrepreneurial endeavors and impact on the world and offer a \$2,000.00 one-year scholarship to a Basalt High School graduate.

Questions: scholarships@aspencommunityfoundation.org or call 970.925.9300
