2013 HAS BEEN A YEAR OF TERRIFIC PROGRESS TOWARD OUR GOAL OF BUILDING A SOLID INFRASTRUCTURE OF COMMUNITY ORGANIZATIONS THAT WILL HELP ALL CHILDREN ACHIEVE SUCCESSFUL GRADUATION FROM HIGH SCHOOL. Using the strategy of collective impact, community leaders and stakeholders have spent hours together defining goals, outcomes and indicators of youth success. Throughout summer and fall, participants began creating collaborative programs to fill gaps in services for our valley’s young people. Because community leaders meet regularly, there is greater cohesion and sharing between the various local and county programs. This spirit of collaboration has been energizing to all of us who believe that a better environment for our children is possible when adults share resources and ideas.

Thanks to the continued investment in the community, donors provided $12.1 million to donor advised, ACF grantmaking, field of interest, scholarship, organization and designated funds. Support from our generous donors allowed ACF to grant $1.5 million to local nonprofit organizations and make a critical difference for thousands of individuals and families throughout our service area, Aspen to Parachute. In addition to ACF’s grantmaking programs, we assisted donor advisors in sustaining their visions for the community by recommending grants totaling $5.4 million to 152 organizations throughout the region. In all, ACF granted $12.6 million in 2013 to nonprofit organizations.

In 2014, we welcome Barbara Gold as ACF’s new Board Chair. Barbara is an involved member of the community and her thoughtful leadership and dedication will continue to energize our mission-focused work.

We thank the members of our Board, donors and staff who passionately support our efforts. A special thanks to the Cradle to Career Initiative participants who have dedicated their energy and shared their unique perspectives to help solve the problems our community faces.

Thank you,

Laurie Michaels/Board Chair

ASCR COMMUNITY FOUNDATION builds philanthropy and supports nonprofit organizations by connecting donors to community needs, building permanent charitable funds and bringing people together to solve community problems.

ACF has been working since 1980 to improve the quality of life in our region. ACF’s efforts impact communities throughout the greater Roaring Fork and Colorado River valleys: Aspen, Snowmass Village, Woody Creek, Basalt, Carbondale, Glenwood Springs, New Castle, Silt, Redstone, Rifle, Battlement Mesa and Parachute.

ACF directs a collection of funds that have been created by individuals, families, nonprofits, businesses, and ACF itself for charitable purposes. Each year ACF awards millions of dollars in grants to nonprofits from these funds.

Collaborating to accelerate...
CRadle to Career Initiative:
Increasing Youth Success from Aspen to Parachute

Aspen Community Foundation’s Cradle to Career Initiative (CCI) brings more than 100 nonprofit, business, education, philanthropic, government and community leaders together to ensure that all of our region’s 22,000 children are ready for kindergarten and graduate from high school ready for college or career. Using the strategy of collective impact, these leaders agreed on specific CCI goals, outcomes and indicators of youth success, and then began planning collaborative actions to dramatically increase opportunities for our region’s children to flourish.

Goals, Metrics and Data

Through working with the region’s four school districts and dozens of youth-serving nonprofit organizations, tapping into national research, and organizing family and student “listening groups,” CCI participants adopted the Initiative’s four key goals: (1) all children are ready for kindergarten; (2) they develop social and life assets for success and happiness; (3) they succeed academically; and (4) they graduate from high school ready for college or career. Each goal rests on metrics and indicators to measure our collective success, and ACF gathered baseline data to give us a starting point. As an example, in October, over 2,000 students completed the Gallup Student Poll to assess their hope, wellbeing and engagement, qualities closely linked to future academic and life success.

Planning for Action

Moving from high-level goals to implementing strategies is a critical inflection point in the collective impact process. CCI’s participating community leaders self-selected into four action teams corresponding to the four key CCI goals. These teams include leaders from our four school districts, Colorado Mountain College, nonprofits and youth-serving agencies. Some actions are already being implemented, while others will commence in the spring of 2014 when the full CCI Action Plan is completed.
CRADLE TO CAREER SYMPOSIUM

ACF presented a day-long symposium at The Aspen Institute featuring leaders of collective impact youth initiatives from around the nation sharing their expertise on how to boost youth success. Moderated by Eric Nee, editor of the Stanford Social Innovation Review, the event featured a keynote address by U.S. Assistant Secretary of Education Brenda Dann-Messier. The event attracted 270 people from around the state, including educators, nonprofit leaders, government agencies, law enforcement, philanthropists and elected officials.

FUNDERS FORUM

ACF, in partnership with the Aspen Skiing Company and Colorado Association of Funders, convened statewide funders of youth programs in order to understand the funders’ priorities; identify opportunities for partnership, leverage investment and collective impact; and generate enthusiasm for moving forward. In all, 20 leaders participated including representatives from five Front Range foundations.

PRESCHOOLS ON WHEELS PROGRAM

ACF, in collaboration with Garfield School District Re-2, developed the Preschools on Wheels program in 2012 to help low-income and at-risk children prepare for kindergarten. Two school buses retrofitted into state of the art preschool classrooms deliver free, quality early childhood education to children ages three to five. In addition to educating children, the program offers monthly meetings to engage families through literacy, social-emotional and healthy living workshops.

By the end of its first year in the spring of 2013, Gus the Bus had served 60 children, all of whom demonstrated tremendous growth in social-emotional, language, literacy and cognitive development skills. This growth was comparable to that of children participating in traditional preschool programs. In the fall of 2013, The Sunshine Bus joined Gus, bringing the total number of children served to 120 (the equivalent of eight preschool classrooms) in seven neighborhoods throughout Rifle, Silt and New Castle.

HONORING A 34 YEAR TRADITION OF TOGETHER STRENGTHENING THE COMMUNITY, Aspen Skiing Company once again offered its Ultimate Ski Pass Program for the 2013/14 season. Blending a passion for the mountains with high impact philanthropy, this program and the generous donors who contribute to it support the Cradle to Career Initiative Fund at Aspen Community Foundation. The $425,000 contributed from this season’s Ultimate Ski Pass holders supported the Preschools on Wheels Program, Basalt High School’s postsecondary counseling office, and ACF’s Cradle to Career Initiative.

ACF OFFERS MANY AVENUES FOR DONORS TO BE THE DIFFERENCE in our community. Individuals can give now by opening a fund or give later by leaving a legacy in the care of ACF. Donors may choose to support ACF’s programmatic work and give directly to our community grantmaking or Cradle to Career Initiative. ACF’s programs rely on the collective generosity of donors to make the greatest impact in our service area.

ESTABLISH A FUND

Aspen Community Foundation manages several types of funds to meet the needs of donors, nonprofit organizations and the community. ACF assists fund advisors by maintaining fund records, researching potential fund recipients, ensuring that distributions are made to qualified tax-exempt organizations, and connecting donors with potential fund recipients.

Donor Advised Funds
Donor Advised Funds offer the advantages of a private foundation, yet have lower management costs and greater tax benefits. Donor Advised Funds are especially useful for donors who want to make a charitable deduction one year and make distributions from income or principal in future years. Donors are able to participate actively in the giving process by recommending organizations to receive gifts.

Memorial Funds
Memorial Funds operate like Donor Advised Funds, yet are named in a loved one’s memory. As with all funds, gifts can be made to the fund by anyone at any time.

Field of Interest Funds
Field of Interest Funds allow a donor to invest in specific causes. These funds can support a broad array of interests such as the arts, education or health. The donor specifies his or her interest at the time the fund is created and may rely on ACF to identify organizations capable of making the greatest impact.

Designated Funds
Designated Funds ensure long-term support for a specific nonprofit organization, identified by the donor at the time the fund is established. The named organization receives an annual disbursement from the designated fund.

Organization Funds
Nonprofit organizations may place their endowed funds at ACF, thus assuring donors that funds earmarked for the future will be invested wisely and used appropriately. ACF manages the fund as part of its investments and then distributes an annual payment to the organization.

Scholarship Funds
ACF’s scholarship funds bring together students in need and individuals who care about education to enable more students to reach their educational goals. Scholarship funds may be established to benefit a specific student demographic, school or field of study.
GIFTS TO ACF GRANTMAKING

Gifts to Aspen Community Foundation Grantmaking
Join the many generous donors who invest in our work so that we may build a stronger community through our competitive grantmaking process. One hundred percent of your gift to ACF’s Community Grantmaking Fund supports nonprofits that provide critical services supporting youth and families from Aspen to Parachute.

Gifts to Aspen Community Foundation’s Cradle to Career Initiative
Join community members in supporting ACF’s Cradle to Career Initiative which uses the strategy of collective impact to build youth success from Aspen to Parachute. We’ve brought together schools, business, government and youth-serving nonprofits to develop a comprehensive, cross-sector action plan to achieve a shared goal: that our 22,000 children from Aspen to Parachute are ready for kindergarten and graduate from high school ready for college or career. Your gift to the Cradle to Career Initiative Fund supports the Initiative’s progressive work in our community.

Gifts to Aspen Community Foundation Endowment Fund
These contributions add to Aspen Community Foundation’s permanent endowment. Income generated from the Endowment Fund supports ACF’s operating expenses.

GIVING LATER

Lifetime Gifts
Many donors give through bequests from their estate. Charitable remainder trusts, charitable lead trusts, remainder interests in real estate, and gifts of life insurance are among the most tax effective ways to support the Community Foundation or to add to existing funds. Charitable remainder trusts have the added advantage of providing excellent income and tax benefits for the donor before their assets are turned over to charitable purposes. A planned gift at ACF will allow you to pass on your vision for a stronger community.
**ACF DIRECTS 177 FUNDS** that have been established by individuals, families, nonprofits, businesses and ACF itself for charitable purposes.
