IN 2017, MANY IN OUR COMMUNITY FELT THEMSELVES AT AN INFLECTION POINT: uncertainty around policies effecting funding of critical programs and services, protection of Dreamers, and access to physical and mental healthcare, among others, has caused many in our community to feel a heightened anxiety about their future. In the face of this uncertainty, Aspen Community Foundation remains committed to expanding opportunities for all to live healthy, independent lives.

By building philanthropy, through our support of nonprofit organizations, and in our leadership of the Aspen to Parachute Cradle to Career Initiative, we are making a difference for the thousands of individuals and families in our region. The contributions of many make this possible. In 2017, our donors contributed $9.4 million to donor advised, ACF grantmaking, field of interest, scholarship, organization, and designated funds. And $9.7 million in grants were disbursed.

The Cradle to Career Initiative reached its five-year mark and is demonstrating progress toward improving outcomes for children and youth. As the backbone, Aspen Community Foundation continues to guide the vision and strategy of the Collective Impact work as it evolves from piloting gap-filling projects to building strong, collaborative networks of nonprofits, schools, agencies, businesses, and philanthropy. These networks are digging into the data related to youth success and developing system-level solutions to accelerate – and sustain – results.

We thank our Board members, staff, nonprofits, and the dozens of Cradle to Career Initiative partners who have made such great strides toward solving the challenges facing our youth. We extend special gratitude to our donors who passionately support our efforts. Together we are making a significant difference in the quality of life in our region.

Thank you,

Barbara Gold
Board Chair

Tamara Tormohlen
Executive Director
ASペン COMMUNITY FOUNDATION (ACF) builds philanthropy and supports nonprofit organizations by connecting donors to community needs, building permanent charitable funds, and bringing people together to solve community problems.

Founded in 1980, ACF’s efforts have an impact in communities throughout the greater Roaring Fork and Colorado River valleys: Aspen, Snowmass Village, Woody Creek, Basalt, El Jebel, Carbondale, Redstone, Marble, Glenwood Springs, New Castle, Silt, Rifle, Battlement Mesa, and Parachute.

ACF provides backbone support for the Aspen to Parachute Cradle to Career Initiative, which brings nonprofits, businesses, philanthropy, educators, and government together to support the success of children from Aspen to Parachute, ensuring that they are ready for kindergarten and that they graduate from high school ready for college and career.
ASSEN TO PARACHUTE CRADLE TO CAREER INITIATIVE

THE CRADLE TO CAREER INITIATIVE (CCI) was launched in 2012 to fundamentally shift ACF’s—and the region’s—approach to addressing the issue of youth success. There are substantial disparities in wealth in the Aspen to Parachute region, which lead to dramatic differences in youth development and education outcomes for our 20,000 children aged 0-18.

ACF adopted the strategy of Collective Impact, which asserts that large scale social change comes from cross-sector coordination, rather than from the isolated intervention of individual organizations. In its role as the backbone, ACF guides the vision of CCI, builds networks and systems, collects and interprets data, advances policy and mobilizes funding.

The power of the Cradle to Career Initiative lies in the networks. Many cross-sector teams work collaboratively to bring about systems-level change in the areas of early childhood education, college and career readiness and academic success. Working together, the teams are able to maximize resources and their collective expertise toward common goals and outcomes.
READY FOR KINDERGARTEN

Meeting developmental milestones is critical for children to enter kindergarten ready to learn and thrive. CCI efforts to improve kindergarten readiness are focused on supporting children in meeting developmental milestones and include: increasing access to preschool, engaging and supporting families, and building public understanding of child development and the value of early childhood education. The Ready for Kindergarten network identified Teaching Strategies Gold as a developmentally appropriate assessment tool to determine kindergarten readiness across the region. CCI has collected TS Gold data on 850 public school kindergarten students to analyze areas of strength and opportunities for improvement in preparing children for kindergarten.
The Cradle to Career goal for regional high school students is to persist in a postsecondary plan that leads to economic independence. This may include 2- or 4-year college, vocational or technical training, and/or paid apprenticeships.

The Post High School Success project has ensured dedicated college and career counselors in nine area high schools, increasing the college and career culture in our region. By engaging with students earlier in high school, and in some cases middle school, these counselors support their exploration of career options through one-on-one advising, connecting students with internship and job shadowing opportunities, and informing them of available scholarships to help them pursue a certificate or degree.

Helping students learn about their future options has motivated them to articulate postsecondary plans. This year, 85% of the region’s high school seniors committed to a postsecondary plan that will lead to economic independence, compared to 53% of seniors who had articulated a plan for their future in 2012.
With the support and encouragement of Laura and Gary Lauder, Aspen Community Foundation created the Cradle to Career Giving Network to support ACF’s Collective Impact work. The Network comprises a select group of philanthropists who are interested in making a difference in the lives of children and families in the Aspen to Parachute region. Network members contribute $5,000 annually, which is matched by the Lauders, and have the opportunity to learn directly from experts about how the strategy of Collective Impact can positively impact youth development. The Giving Network participates in a series of meetings to learn about issues impacting our youth and how these issues are being addressed through the Cradle to Career Initiative. The culmination is a group decision on how to allocate the pool of funds within Cradle to Career goal areas. In 2017, the Giving Network raised $280,000.

PRESCHOOL ON WHEELS CELEBRATES 5TH ANNIVERSARY

The Preschool on Wheels program is a signature project of Aspen Community Foundation’s Cradle to Career Initiative, serving children ages 3-5 in New Castle, Silt, and Rifle. In partnership with Garfield School District Re-2, “Gus the Bus” and the “Sunshine Bus” are mobile preschool classrooms that provide an affordable high-quality educational experience to children who otherwise do not have access.

Because 90% of brain development occurs before age five, early education is essential in the lives of young children, preparing them for success in kindergarten and throughout their academic lives. These mobile classrooms provide developmentally-appropriate, bilingual learning environments with accredited early childhood educators. Preschool on Wheels is the first mobile preschool program to be licensed by the state of Colorado.

More than 540 children have benefitted from the program since it began in 2012, showing increases in literacy, social-emotional development, language, and cognitive skills. They have entered kindergarten ready to learn and on equal footing with peers who attend traditional preschool programs.

"AS A PARENT, I AM LEARNING HOW TO BETTER INTERACT WITH MY CHILD WHEN IT COMES TO HIS EDUCATION. WE ARE BOTH LEARNING"

—SUNSHINE BUS PARENT
COMMUNITY IMPACT

ACF PRIORITIZES EFFORTS THAT ADDRESS CRITICAL NEEDS AND INCREASE ACCESS for the underserved throughout the region, expanding opportunities for all to live healthy, independent lives. Through the generosity of contributors, ACF supports nonprofit organizations that serve children and families, and provide essential human services, as well as those caring for the environment and our natural resources. Our impact also extends to helping individuals access mental health services and assisting those who experience temporary financial hardship.

CRADLE TO CAREER INITIATIVE FUND

ACF’s Cradle to Career Initiative (CCI) addresses the quiet crisis facing our region’s 20,000 youth and children: profound achievement gaps between low-income children and their more affluent peers, acute differences in hope between our Latino and Anglo students, and many high school students unprepared for college and career. This fund provides financial support for CCI, including ACF’s role as backbone and operator of the Preschool on Wheels program, as well as collaborative projects that are working toward kindergarten readiness, social-emotional wellbeing, and college and career attainment for all youth in our region.

EARLY CHILDHOOD FUND

The first five years of a child’s life are a time of extraordinary brain development that shapes cognitive and social-emotional growth. Quality, enriching early childhood experiences during this crucial time are vital to ensuring that children have a positive start in life. This fund supports parent education, preschool, and literacy programs that promote social-emotional development and school readiness.

COMMUNITY GRANTMAKING FUND

Throughout its history, ACF has supported organizations addressing the spectrum of needs throughout the Aspen to Parachute region. By prioritizing areas of greatest need, holistic approaches, measurable results, and collaboration, ACF’s investments create a stronger civic and community vitality. This fund provides grants to nonprofits on an annual basis.

EMERGENCY ASSISTANCE FUND

Despite the perception of abundance, many in the Aspen to Parachute region struggle to provide for themselves and their families. Many in our community do not earn enough to meet basic needs such as housing, childcare, food, healthcare, and transportation. This fund supports organizations and agencies that help families and individuals who are experiencing financial hardship.
COMMUNITY IMPACT

ENVIRONMENT FUND
ACF addresses the interconnectedness of place, people, and quality of life by partnering with Aspen Skiing Company’s Environment Foundation to match Aspen Skiing Company employee contributions. From environmental and conservation groups to organizations advocating green energy, smart growth, and alternative solutions, this partnership supports the preservation of our natural heritage.

MENTAL HEALTH FUND
Individuals and families in our region can experience mental health challenges brought about by geographic isolation, seasonal and low-wage jobs without health benefits, instances of substance abuse, and some of the highest health insurance premiums in the country. This fund provides assistance for families and individuals who are in need of mental health services but can’t afford to pay the full cost.

QUALITY OF LIFE CANCER FUND
A cancer diagnosis can cause financial hardship for patients and families due to decreased income and treatment-related costs. Expenses such as household bills, travel for treatment, and child care, for example, take an economic toll on families. This fund provides financial assistance to patients, survivors, families, and caregivers to help mitigate this burden.

SCHOLARSHIP FUNDS
ACF directs several scholarship funds which provide tuition assistance to graduating high school seniors and returning college students. These funds support students from diverse backgrounds with varying college and career paths, including first-generation college attendees, low-income students, and those pursuing technical certification and apprenticeship training.
GIVING

INDIVIDUALS AND BUSINESSES CAN MAKE A LASTING DIFFERENCE in the community by supporting ACF in a variety of ways. ACF accepts gifts in many forms, including cash, publicly traded securities, real estate, life insurance policies, artwork, and various other appreciated assets.

ANNUAL GIVING
A gift to one of ACF’s funds helps build a stronger community through our annual grantmaking. One hundred percent of your gift supports nonprofits that provide critical services, and support youth and families from Aspen to Parachute.

ESTABLISH A FUND
ACF holds several types of funds that fulfill the interests and goals of the donor, as well as the needs of our community. Donors may open a donor advised, field of interest, scholarship or designated fund, which can be tailored to fit their area of interest. Donor advised funds offer the flexibility of receiving a tax-deduction one year, while granting the money to the community over several years. ACF assists fund advisors and first-time fund holders in finding qualified, tax-exempt organizations whose missions and programs are aligned with their philanthropic intentions.

IRA CHARITABLE ROLLOVER
The IRA charitable rollover allows individuals age 70½ or older to make tax-free charitable gifts of up to $100,000 per year directly from their Individual Retirement Accounts to qualified charities, such as Aspen Community Foundation.

COLORADO CHILD CARE CONTRIBUTION TAX CREDIT
A gift to the Early Childhood Fund at ACF qualifies for the Colorado Child Care Contribution Tax Credit, created to provide financial support to child care programs in Colorado. Individuals and business taxpayers may claim a state income tax credit of 50% of the total qualifying contribution.

AMAZON SMILE
Support ACF when you shop at Amazon.com. Visit smile.amazon.com and select Aspen Community Foundation as the recipient organization prior to making a purchase. ACF will receive 0.5% of the purchase as a donation.

PLANNED GIVING
Donors can leave a legacy that will support the causes they care about through their estate planning decisions. ACF offers a variety of gift planning options, each providing unique advantages and allowing the donor to meet his or her personal financial needs and goals. Bequests, charitable remainder trusts, charitable lead trusts, and gifts of life insurance are among the ways to support ACF.
ACF scholarship students Reed Featherstone, recipient of the Harley Baldwin Memorial Scholarship and the Colorado Opportunity Scholarship, and Jasmin Lopez, recipient of the John Gold Pre-Collegiate Scholarship and the Colorado Opportunity Scholarship with ACF board member Tony DiLucia.
ULTIMATE SKI PASS CONTRIBUTORS

Honoring a 37-year tradition of strengthening the community, Aspen Community Foundation is proud to once again have the support of Aspen Skiing Company through its Ultimate Ski Pass Program. Blending a passion for the mountains with high-impact philanthropy, this program and the generous donors who contribute to it support the Cradle to Career Initiative Fund at Aspen Community Foundation. The $525,000 contributed from this season’s Ultimate Ski Pass holders helps to sustain the Preschool on Wheels program, provides funding for youth-serving nonprofit organizations, and supports ACF’s backbone work.

ASPEN COMMUNITY FOUNDATION HOLDS 178 FUNDS that have been established by individuals, families, nonprofits, businesses, and ACF itself for charitable purposes.

ACF AND FIELD OF INTEREST FUNDS
ACF and field of interest funds support a broad array of interests such as the arts, education, or health. These funds allow donors to invest in specific causes, relying on ACF to identify organizations capable of making the greatest impact.

ORGANIZATION FUNDS
Nonprofit organizations may place their endowed and non-endowed funds at ACF, assuring their donors that funds earmarked for the future will be invested wisely and used appropriately. ACF manages the funds as part of its investment portfolio and distributes payments to the organizations.

DESIGNATED FUNDS
Holly and Richard Glasier Colorado Animal Rescue (CARE) Designated Fund
Holly and Richard Glasier Colorado Mountain College Designated Fund
Holly and Richard Glasier Valley View Hospital Designated Fund
Rip McManus Endowment Fund
SCHOLARSHIP FUNDS

ACF’s scholarship funds connect students in need with individuals who want to help our region’s youth reach their postsecondary educational goals. Scholarship funds may be established to benefit a specific student demographic, school, or field of study.

DONOR ADVISED FUNDS

Donor advised funds offer the advantages of a private foundation yet have lower management costs and greater tax benefits. These funds can be established by organizations, families, individuals, or in a loved one’s memory. Donor advisors can actively participate in the giving process by recommending organizations to receive grants from their advised fund. As with all funds, gifts can be made to the fund by anyone at any time.
