## You Can Make a Difference

Honoring a 40 year partnership, Aspen Community Foundation and Aspen Skiing Company are pleased to offer, once again, the Ultimate Ski Pass.

It is the **ONLY** ski pass that is fully-transferable; share with friends, family and guests every day of the season at any of the four mountains with no blackout dates.

With the Ultimate Ski Pass, you are strengthening the community and improving the quality of life for youth through ACF's Aspen to Parachute Cradle to Career Initiative. Support the vision of ensuring children in the region are ready for kindergarten and that they graduate from high school ready for college and career.

## How It Works

For each contribution of \$25,000, of which \$23,000 is tax deductible, you will receive a one-year unlimited, transferable ski pass for skiing, uphilling, and exploring at all four Aspen Skiing Company mountains and you can smile knowing you are helping children in our region have a more positive future.
