

EARLY CHILDHOOD GRANTS GUIDELINES

Aspen Community Foundation (ACF) is dedicated to supporting children and families living in the Aspen to Parachute region. In 2024, ACF is offering three competitive grant programs for nonprofit organizations in the Aspen to Parachute region. These grant programs are: Early Childhood, Youth Empowerment and Human Services. Funding for these programs is made possible by annual contributions from donors wishing to support pooled grantmaking funds.

These guidelines outline ACF's Early Childhood grantmaking program. A total of \$200,000 is available for this cycle. Applications will be reviewed in accordance with the following priorities, criteria, and limitations as well as available funds. Past funding from ACF does not guarantee funding in future years. Typical requests range from \$10,000 to \$50,000.

ACF EARLY CHILDHOOD GRANTMAKING PRIORITIES

This competitive grant program prioritizes nonprofits working in the areas of early care and education. The following are the areas of impact ACF seeks to have with this funding.

1. Strengthening the skills of caregivers – parents, teachers, childcare staff, FFN providers – so they can support the healthy development of children in their care. This includes:
 - a. Services that improve the health, safety, and quality of childcare
 - b. Parent support and education with active participation over a longer time period

2. Providing tuition assistance to increase families' access to quality care, especially for those who are low income and/or who are of a racial/ethnic minority. This includes:
 - a. Childcare centers providing tuition assistance to at least 10% of enrolled families and/or at least 10% of children enrolled are of a racial/ethnic minority.
 - b. ACF defines economically disadvantaged thresholds by county based on multipliers of the Federal Poverty Level (300%) informed by the self-sufficiency standard for each county. Use the chart below to determine how many low-income families you serve.

	Family of 2 FPL = \$22,888	Family of 3 FPL = \$28,788	Family of 4 FPL = \$34,688	Family of 5 FPL = \$40,588
300% of FPL	\$68,664	\$86,364	\$104,064	\$121,764

- c. ACF tracks race and ethnicity using U.S. Census demographic groups: American Indian/Alaskan Native, Asian American/Pacific Islander, Black/African American, Hispanic, White, Multi-Race/Multi-Ethnic.
 - d.

3. Expanding childcare capacity in both center-based and family childcare home environments through capital projects, start-up grants, or recruitment/retention of teachers.
