

John Gold PreCollegiate Program Scholarship **Renewable scholarship for recipients returning to college/university**

Scholarship Overview:

The PreCollegiate Program Scholarship Fund was established in December 2006 by Barbara and John Gold to help PreCollegiate Program students pursue higher education. After John's death in 2011, the fund was renamed the John Gold PreCollegiate Program Scholarship Fund. The scholarship will assist Roaring Fork School District graduates of Roaring Fork PreCollegiate in financing their college education. Because this scholarship is renewable it can potentially support all two or four years of college.

- Students are in good standing with their enrolled institution, and attend an accredited two-year or four-year college or university on a full-time basis
- Students should be the first generation in their families to attend college (having siblings in college will not preclude students from the scholarship)
